...with heads held HIGH, we look forward to a BRIGHTER future!...

It is with great pride and honor that I stand before you today, as the Company Commander for Excelsior High School, to present the Cadet Unit's term in review and highlight our many achievements.

The Cadet Unit had its first parade since the COVID 19 global pandemic, on December 19, 2022. The first parade with an **all-female platoon**, the first parade for **five batches of senior cadets** and our newest batch of recruits who were successful in their respective examinations.

The parade was also in celebration and honour of a man, who we credit for paving the way for us and causing our name to be mentioned in rooms that we could not step foot in. **Major Audley N. Harris, JP**, was an integral part of many of our experiences, growth and development as a cadet. He encouraged us to dream big, to be confident and to lead with honor and integrity. He is our former company commander, who mentored us through our younger cadet years. He saw the leader in us before we were even leaders. He was and still is a part of all our important milestones.

The country went into lock down in 2020 and opened partially in September of 2021. Just like all other institutions, the Jamaica Combined Cadet Force was also not spared from its effects. Due to the innovativeness of our NCOs, the Excelsior Cadet Unit was one of the first cadet units to have recruited and published its cadets in the entire Cadet Force. Within 8 months, we have completed 5 intakes with a total of 150 recruits, a 90% success rate. Due to this successful program while in lock down, our cadet unit skyrocketed to 141 members from 60 members.

Our unit's strength of 141 was put to the test when our cadet unit was called upon to provide majority of the cadets, for participation, on short notice for three concurrent activities.

1. National Memorial Service and Remembrance Day Parade (National Heroes Park)

2. The Second Battalion Founder's Day Service (Pentecostal Gospel Temple, Windward Road)

3. Funeral Service for the Late Cadet Campbell, Michion (Kings Chapel, Windward Road).

This all occurred during the cadets' mid-term examinations, to ensure the baton was taken up and carried properly, approval was sought and granted to do their respective examinations later. This provided the security and confidence needed for the cadets to carry out their duties in ensuring standard and proper representation. I

want to commend all the cadets who answered the call to ensure the Battalion, the Regiment and the Cadet Force were well represented, displaying great leadership and selflessness in spite of their school examinations. I am pleased to announce that four members of the Excelsior High Cadet Unit received Commendation from the Commandant of the Jamaica Combined Cadet Force.

- 1. **Commandant’s Commendation Medal Awardee:**
 - a. **Captain Jordon L. Freeman.**
- 2. **Commandant’s Commendation Bar Awardees:**
 - a. **Sergeant Whyte, C.***
 - b. **Sergeant Brown A.**
 - c. **Corporal Holness Z.**

The Cadet Force had its first **Administrative Inspection** Island wide and the Excelsior High Cadet Unit was reported to have the best system in accountability and record management across the island. I am pleased to announce that Excelsior High Cadet Unit came out as

- 1. **Number 1 in Second Battalion (Parish),**
- 2. **Number 1 across the Eastern Regiment (Region) and**
- 3. **Number 1 among 111 schools across the Force (Island).**

The successes we have achieved would not have been possible without the contributions of the school and its administration such as the Principal Mr. Deanroy Bromfield, our Vice principals, Ms. Christine Hunter and Mrs. Grey-Tomlinson, the Bursary Department, Ex-cadets and Parents who continue to go above and beyond. The backbone of it all, is my training team that comprise of S/Sgt. Higgins and Mr. Cunningham, who have worked tirelessly to provide mentorship, supervision, and guidance to each and all the 141 cadets. *Thank you for serving alongside me and contributing significantly to the unit’s successes.*

Cadets your dedication and hard work are commendable, keep being role models and examples among your peers, I am proud of you all, well done.

Congratulations to the cadets who were promoted to Sergeant and Corporals and a *special congratulations to our Adult Instructor Staff Sergeant Higgins, Ricardo on his recent promotion.*

In closing, as we celebrate the festive season in our own way. I want to take this opportunity to wish you all a Merry Christmas and a prosperous 2023. **Be kind, be brave, be honorable, be respectful and most of all serve with compassion and integrity.** Let us all raise our heads held high, as we all look forward to overcoming challenges and achieving our goals for the New Year!

EXCELSIOR HIGH SCHOOL CADET UNIT

By JCCF SUPERNUMERY MAJOR AUDLEY HARRIS, JP, MJIM

On Monday, December 19, 2022, I was a guest at the Passing Out Parade of three (3) JCCF Platoons of freshly, recently trained cadets of the Excelsior High School Cadet Unit. Thanks to Captain Jordon Freeman, the Unit's Officer Commanding (OC). It was a grand opportunity also, to meet and congratulate the newly promoted Lieutenant Colonel Oswald Smiley, Commanding Officer of the Second Battalion.

It was with humble pride that I experienced the duration of the event. My host was one of the most supporting junior cadets during my tenure as OC Unit. *"Train up a child in the way he should grow and when he is old he will not depart from it"*, applicable quote here! The parade was a spectacle of solid career training. I commend the Unit's OC for such a magnificent approach during the COVID pandemic! I congratulate his intelligent application during the COVID depression using electronic processes. This was innovative.

Is it necessary to ask private enterprise to offer support by electronic systems to communicate as was done in times of need? Is this practical I ask?

Now for the event of the Principal's Parade. When the inspiration came to me some years ago at Excelsior, the purpose was to create a medium to involve other staff members and parents into cadetting. I am pleased that it is getting active consideration. It is an event in fact, that requires Headquarters support and blessing. Basically, it is an item for OCs to have in their planning and not taken at a higher level excepting to give support to the OC. Social binding should be the OC's magnet to develop the unity of the school community. It was my strategy to enhance my success and cooperation of the locales at Excelsior, I so advised. The fact that the Principal is lifted to the level of that parade to inspect it, left staff and others, no choice but to be involved.

It is interesting that the late Honorable A.W. Powell who founded Excelsior High School was among the first ten Cadet Officers of the Force during its coming into existence in 1943. Captain Freeman, Officer Commanding, Excelsior Cadet Unit, congratulations to you for your efforts to maintain and practice the principles of gentlemanliness, diligence, loyalty, exemplary conduct and leadership. Mrs. Harris shared with me, her admiration for your mild mannered personality. Thank you for your energy, faithfulness, humility and perseverance while grooming you all who have matured successfully, despite challenges of work and relations.

I have made a critical observation, about your Master of Ceremony. My experience and training allow me to assess him as a very suitable candidate to recruit him without delay as an Officer, He is a part of Excelsior and has resourcefulness to offer, should he be trained as an Officer. He is juxtaposed to promote beneficial results cadetting vis-à-vis Excelsior staff members. In my vision, I predict that goodwill, excellence and high productivity will be yields of faithful endeavor by this Unit's leadership and those following in his steps at the Excelsior Cadet Unit.

A question was asked of me during our rap session at your Unit's Passing Out Parade, *“Major how did you get those medals that you have on your chests?”*, *“Not on my, chest, but on my uniform”*, I quipped, and that provoked laughter. These medals are presented to me as they portray a history of my tenure in the uniformed services:

1. Jamaica Constabulary Centenary, 1987
2. Cadets – Jamaica Independence Medal, 1962
3. Long Service and Good Conduct (Police), 1981
4. Efficient Service – 3 bars (Police), 1978
5. Meritorious Service (Governor-General), 1986
6. Long Service [(JCCF) Cadets], 2018

Captain Freeman, thanks for the wonderful plaque presented by you to me. I shall cherish it. Best wishes always.

Audley N. Harris, JP, MJIM
Major Supernumery JCCF/7438

MY CADET EXPERIENCE

Remembrance Day Parade

I am Corporal Cargill, D and I will be sharing my experience with me being on the Remembrance Day camp and parade. This camp aim was to readily prepare us for the upcoming event. This camp wasn't like what we are used to, we started having water parades this meant that we had to drink up to 3 bottles of water each day, due to the lengthiness of the event. The dress code on the parade was also different as we wore the Blue Denim (a uniform called number one) which is mainly for special events. It was my first time wearing that uniform and with wearing it I wore it with pride. It will be a parade that the cadets will never forget from how they respect the Fallen Soldiers and how the rest of Jamaica came in unity to support. Thanks to our officer, Captain Jordon Freeman for selecting us to be a part of and experience this meaningful event.

Second Battalion's Founders Day Service

On November 12, 2022, my fellow cadets and I were selected to attend the 79th founders' day event at the PGT 111 Church. For most of the ceremony we sang gospel music, praised the lord, and prayed. during the church service the Pastor gave all the cadets life lessons and stories about his experience in the Cadet Force. His life lessons were some I was able to look at, adopt and learn from.

In cadet we are expected to march forward with zeal and determination to be obedient and continue to make the Force a beacon of hope for the future of our country and to also impact lives with our positive attitude. This message enabled me to have more confidence, dedication and integrity as a young lady who is devoted to serving and protecting her country every day is a new experience, new lesson, and a new adventure I can never forget that discipline, honesty, bravery, and modesty are the four pillars for all of us who will be passing out from this Cadet Unit.

And with integrity, discipline, and consistency I will continue to carry out my duties, be a better leader and be the best version of myself and inspire the younger ones below me.

Recruits Training

Good day everyone, I am Recruit Anckle, T. and I will be sharing with you my experience as a recruit in training.

My experience training with cadets of the Excelsior Cadet Unit is that they give us situations to handle as individuals or in a team, which helps us grow into becoming a great leader and a better individual.

The most important thing which I have learnt about the Excelsior Cadet Unit, being a part of the Jamaica Combined Cadet Force is that they not only give the opportunity to develop great leadership skills, good discipline, and an idea of self-defence, but to provide the help needed for the youths who have gone into the wrong group of friends in our country.

It also helps to provide a suitable environment to live, grow, and to protect the fellow citizens of our country, Jamaica.

Weapons Training

On November 24, 2022, the Excelsior High Cadet Unit went to the JDF Headquarters for weapons training. We arrived around 3:00 pm. The weapon they gave us was the .202 and .303 Rifles.

They taught us how to unload, reload, cock, aim and fire the weapon. They taught us parts of the weapon and what to do and not to do. They told us the rules of the weapon; you were never to point the weapon at anyone else, play with the rifle, or place any part of your body on the muzzle of the rifle.

We also learned how to march with the weapon, it was to be held in the right hand. We learned how to change the arm it was in as well; the Rifle was extremely heavy. They told us that if we find a weapon, we must check the safety and for active rounds.

PSI Francis told us that if we were holding the weapon incorrectly and fire the butt of the rifle will knock out shoulder out of socket. They made sure to teach us the correct way to hold the rifle when firing in both standing and prone position. Everyone that went had a wonderful and fun experience and learnt a lot. We deeply thank our Commanding Officer Captain Freeman for arranging this experience for us and to the Officers that took the time out to teach us.

Kingston Technical High School Cadet’s Funeral

The event held on the 21st of October 2022 was a thanksgivings service for the late Cadet Michion Campbell, a cadet and student of the Kingston Technical High school.

The Jamaica Combined Cadet Force represented well and had cadets from Kingston College, Kingston Technical High and Excelsior High. The cadets functioned as Pallbearers, Vigil and traffic guide.

I was a member of a six-man Vigil team which was led by Cpl. Holness. We were tasked with standing beside the coffin as military support for the deceased Cadet. It was a formal event, and a lot of military personnel were present sitting at the front where I was standing. I felt like a statue trying to not fidget or move at the front. It was sad seeing so many people, including students who were close to the deceased, openly mourning but I was committed to the task given. Although it was a sad event, I am grateful for the opportunity to have served as a member of the Vigil team.

AWARDS AND RECOGNITION

Generation Award

Major Harris’s contributions to the Excelsior High Cadet Unit have resulted in the Unit’s continued growth and success. His teaching and practice of discipline, initiative, diplomacy, teamwork, and a spirit of service to all has been the hallmark and fundamentals which stabilized our core foundation. A spirit to never give up, always thinking outside the box and the ingenuity to create the possible from that which is considered impossible. He was the first to inspire in our generation creativity, strategy and initiative through the implementation of the renowned Annual Principal’s Parade which was first taken by our Principal Mr. Bromfield in 2009 and was later adopted to other institution by his cadets who became commanders at other institutions.

The reinstitution of the Unit’s Drum Corp, faced a lot of opposition due to short sightedness, lack of motivation and complacency (mediocrity). It was Major Harris’s foresight, diplomacy, intuition and experience which settled the debate and causing the band to be officially reinstated into the Cadet Unit’s establishment. Today, the Drum Corp exists and remain as a constant reminder of a man’s determination to encourage success when mediocrity is the norm.

Major Audley Harris, a man with a peaceful, cheerful personality and calm demeanour, an officer that will fight for his cadets, their development, lives and social standing, a father to many. It is with great honour and humility that I, on behalf of the Excelsior High Cadet Unit, present the first ever “Excelsior High Cadet Unit’s **Generation Award**”, in honor of your exceptional service and dedication to youth development.

Thank you, Maj. Audley Harris.

Service Awards

The **Captain's Service Awards 2022**, were presented to Mrs. Grey- Tomlinson and Mr. Johnoi Cunningham for dedicated and faithful service to youth development and significant contributions to nation building through their contributions to the Excelsior High Cadet Unit.

Birthday Message

Good day Sir,

On behalf of the Excelsior High Cadet Unit, I would like to extend birthday wishes to a man of results, a man who is consistent and a great mentor to myself and others.

Someone who despite all the challenges faced still gives his all to fight for this cadet unit and to produce leaders year after year.

He taught us the importance of being a leader and brought out the best in each of us.

He taught us that if we have a goal no matter how hard and long the journey might be or how life pulls us back, work hard because, in the end, we will taste the sweetness of our hard work and endurance.

Our OC, Captain Jordon Freeman.

Hope you have a blessed birthday 🎉🎂🎊

Regards,

Sgt Whyte and team
