

EXCELSIOR HIGH SCHOOL

April 26, 2022

Dear Parents/Guardians,

The school's Enrichment Programme will resume on Monday, May 2, 2022. The classes will be held Monday to Thursday of each week from 2:00 pm to 3:30 pm, using the face-to-face modality.

Mathematics and English Language will be offered to Grades 7, 8 9 and 10 students who have been selected based on their unsatisfactory performance on In-Course Test 1.

Attendance to these classes will be mandatory for all selected students. Failure to comply will result in your child/ward being automatically placed on academic probation. Parents, in an effort to offset some of the added expenses, we graciously request a contribution of **five hundred dollars (\$500)**, per subject for your child/ward. This is the rate which existed prior to Covid-19.

The timetable and class lists will be posted in the respective form classes on the Google Classroom platform. The documents will also be posted on the relevant notice boards on the school compound.

In an effort for us to continue working together in ensuring that our students are properly monitored, I encourage you to check your child/ward's timetable. This is to ensure that you keep abreast of the days and times for the scheduled classes.

Looking forward to your continued support, TOGETHER WE CAN ACHIEVE!

Sincerely,

Jarett Knight

Dean of Studies
